

GRISWOLD CONTROLS TV SEGMENT ON MANUFACTURING MARVELS
Wednesday, November 16th at 8:35 PM EST (5:35 PST)

Griswold Controls is proud to announce that we have taken advantage of the opportunity for a 2-minute television spot to be aired on the Fox Business Network's segment "Manufacturing Marvels."

"Manufacturing Marvels" airs on The Fox Business Network << http://www.foxbusiness.com/channel_finder.html>> at 8:35pm EST M-F. The 2 minute profiles spotlight American manufacturers, their products, as well as the company's processes and customers.

The Griswold Controls video will air on **Wednesday, November 16th, 2011 at 8:35pm EST (5:35 PST)**. The HD video is narrated by nationally acclaimed voice talent John Criswell.

We are proud of our employees and our products and we are excited to share Griswold Controls' story with everyone!

Sincerely,

Kristen Ortlinghaus

Director of Marketing

Griswold Controls
